To whom so ever it may concern

I am pleased to write a letter of recommendation for **Mag. Birgit Maria Langeder MA.** She was attached to the German Section of the Department of Foreign Languages as a trainee in teaching German as Foreign Language from January to March 2017. The main tasks she carried out here during the said period were:

- Teaching German as a foreign language for advanced levels (Diploma and Advanced Diploma courses) and M.A. classes at S.P. Pune University and its affiliated colleges
- Teaching civilization and culture particularly that of Austria
- Conducted a workshop for the members of Gesellschaft für deutsche Sprache (Zweigstelle, Pune) and M.A. students referring to the role models and gender studies with focus on theatre methods and film
- Talks and inputs on Vienna around 1900 at the Department of Psychology, Modern College, Pune
- Talks and inputs at the "International Conference on Current Trends in Bio-energy and its Applications: Introducing Vienna as a smart city at the Modern College of Arts, Science & Commerce, Pune
- Participation in the International Conference of the Goethe Society of India on "Borders and Border-Crossings: Politics and Poetics of Migration -German week 2017"

She could build up large network with students and colleagues and interacted with them frequently. The colleagues and students could easily approach her, as she was very cooperative and helpful. She has excellent communication skills, that are supplemented through her innovative ideas. I would like to strongly recommend Mrs. Langeder for any teaching assignment under the project of teaching German as Foreign language, as she would be an asset to any organization.
